Dear Friends, Dear Colleagues,

On behalf of the GREMI, and in collaboration with the International Association of Inflammation Societies, I am pleased to announce that, following the Tokyo congress, the forthcoming 10th World Congress on Inflammation will be held in Paris from the 25th to the 29th of June 2011. Therefore, I would like to take the present opportunity to invite you to join us for that meeting.

We are living a very exciting scientific period, with considerable advances in the field of inflammation. Recent genetic, immunological, biochemical and microbiological breakthroughs have allowed new insights into the pathophysiology of inflammatory disorders. However, there is a constant need not only to keep abreast of and develop new scientific approaches but also to identify adequate and effective clinical strategies for the treatment of chronic inflammation.

With the Local Organizing and Scientific Committees, our aim is to build an ambitious and unique program focused on basic science, applied biology, and clinical research, where state of the art views of the recent advances in inflammation would be fostered. During this 4 days congress, we will bring together scientific and clinical leaders from all over the world, as well as young scientists and newcomers to the field of inflammation, in order to lead lively and interactive debates. The congress will take place in the modern convention centre “Le Palais des Congrès” strategically located near “Les Champs Elysées” in the heart of Paris. In addition to an exciting scientific program, you will benefit from the wonderful early summer, June being the nicest season in Paris. Moreover, the cultural background and historical landscape that make of Paris one of the most attractive cities in Europe, should contribute towards making this event an unforgettable moment.

I look forward to welcoming and hosting you in Paris in June 2011, and sincerely hope that you will join us to make this endeavour a success.

Michel Chignard
Congress Chairman

Dear Colleagues,

It is a great honor and pleasure to have your attendance to the 10th World Congress on Inflammation in Paris, 25th - 29th June 2011. This biennial World Congress is organized by GREMI, under the auspices of the International Association of Inflammation Societies (IAIS). The key objective of the IAIS is to foster cooperation with national inflammation society members for the purpose of organizing high quality international scientific meetings and teaching courses focusing on inflammation research. We also encourage new investigators to participate either in competition or networking opportunities. The World Congress is held every second year which initiated in Vienna 1993 and continued with successful venues including Brighton 1995, Tokyo 1997, Paris 1999, Edinburgh 2001, Vancouver 2003, Melbourne 2005, Copenhagen 2007, and Tokyo 2009.

The World Congress on Inflammation returns to Paris providing you with an excellent opportunity to interact with Academic, Clinical and Industrial colleagues discuss “translation of Inflammation basic research into patient care”. The current high costs and numerous challenges in drug development demand innovative changes in the way we develop medicines. Translational medicine offers an approach to utilize the knowledge of basis research to better understand disease processes and mechanisms of targeted therapies. This congress promises to bring exciting illustrations of this novel approach as a key focus to this excellent scientific program.

We look forward to seeing you in June 2011.

Lisa Marshall
IAIS President

Dear Colleagues,

It is with great pleasure that we invite you to attend the 10th World Congress on Inflammation in Paris, 25th - 29th June 2011. The series of World Congresses, organised under the auspices of the International Association of Inflammation Societies (IAIS), was initiated in Vienna in 1993. The meetings have since been held every second year. In line with the previous successful meetings – from Vienna 1993, over Brighton 1995, Tokyo 1997, Paris 1999, Edinburgh 2001, Vancouver 2003, Melbourne 2005, Copenhagen 2007, and Tokyo 2009 – the organisers of the 10th World Congress on Inflammation in Paris will provide you with an excellent opportunity to interact with colleagues from academia, clinical centres and industry, and enjoy an exciting scientific programme focused on new opportunities and approaches to treat chronic inflammatory conditions.

We look forward to seeing you in Paris in the early summer of 2011.
À bientôt!

Ian Ahnfelt-Ronne
IAIS Past President
**Committees**

**Congress Chairman**  
Michel Chignard (Paris, France)

**Vice Chairmen**  
Charles Brink (IAIS, Awards)  
Francis Berenbaum (Local Scientific Committee)  
Vincent Lagente (Local Organizing Committee)

**Honorary Chair**  
B. Boris Vargaftig (Sao Paulo, Brazil)

**Local Organizing Committee**  
Claude Bertrand (Boulogne Billancourt, France)  
Marie-Thérèse Corvol (Paris, France)  
Vincent Lagente (Rennes, France)  
Xavier Norel (Paris, France)

**Local Scientific Committee**  
Laurent Baud (Paris, France)  
Francis Berenbaum (Paris, France)  
Sylvie Chollet-Martin (Paris, France)  
Jean-Yves Jouzeau (Nancy, France)  
Françoise Pons (Strasbourg, France)  
Jean-François Savouret (Paris, France)  
Mustapha Si-Tahar (Paris, France)  
Nathalie Vergnolle (Toulouse, France)  
Véronique Witko-Sarsat (Paris, France)

**IAIS Officers and Members**  
Ian M. Adcock (UK)  
Ian Ahnfelt-Rønne (Denmark)  
Michel Chignard (France)  
John Di Battista (Canada)  
Sergio Ferreira (Brazil)  
Andrew L. Glasebrook (USA)  
John Hamilton (Australia)  
Gordon Letts (USA)  
Lisa Marshall (USA)  
Kouji Matsushima (Japan)  
Tineke Meijers (Canada)  
Nobuyuki Miyasaka (Japan)  
Vincent Lagente (France)  
Michael Parnham (Croatia)  
Neville Punchard (UK)  
John Rømer (Denmark)  
John Somerville (USA)  
Mauro Teixeira (Brazil)

**International Advisory Board**  
Masayuki Amagai (Japan)  
Vickie E. Baracos (Canada)  
María G. Belvisi (UK)  
Pierre Borgeat (Canada)  
Susan Brain (UK)  
Marco Cassatella (Italy)  
Jean-Marc Cavaillon (France)  
Nadine Cerf-Bensoussan (France)  
Annick Clément (France)  
Anthony J. Coyle (USA)  
Leslie J. Crofford (USA)  
Frédéric De Blay (France)  
Elisabetta Dejana (Italy)  
Béatrice Desvergne (Switzerland)  
Mary Dinauer (USA)  
Kate Fitzgerald (USA)  
Nelly Frossard (France)  
Frédéric Geissmann (UK)  
Pierangelo Geppetti (Italy)  
Loïc Guillemin (France)  
Jiahuai Han (China)  
Lars Klareskog (Sweden)

**About the world congress**

The World Congress on Inflammation is a biennial congress organized by the International Association of Inflammation Societies.

The IAIS is a non-profit making organization which aims to promote international co-operation among inflammation scientists as well as providing a communication network between inflammation societies throughout the world.

The Group for Research and Studies on Mediators of Inflammation (GREMI) is a French-based association composed of academic and industrial members dedicated to promote studies on all aspects of inflammation research.

The GREMI is a member of the IAIS and has been designated to be the hosting organization for the 10th World Congress on Inflammation.
# Schedule at a glance

**SATURDAY 25 JUNE 2011**

Plenary lectures

OPENING ADDRESS AND KEYNOTE LECTURE 1
Chairpersons: Michel CHIGNARD (Institut Pasteur, Paris, France) and Francis BERENBAUM (Université Pierre et Marie Curie, AP-HP Hôpital St Antoine, Paris, France)

- Drosophila: a model of inflammation
  Jean-Marc REICHHART (Strasbourg, France)

KEYNOTE LECTURE 2

- To be announced

KEYNOTE LECTURE 3
Chairperson: Nathalie VERGNOLLE (Inserm U563, Toulouse, France)

- Metagenomics: impact on research in Inflammation
  Stanislav Dusko EHRLICH (Jouy-en-Josas, France)

KEYNOTE LECTURE 4
Chairperson: Francis BERENBAUM (Université Pierre et Marie Curie, AP-HP Hôpital St Antoine, Paris, France)

- Senescence and inflammation: new links, new targets
  Judith CAMPISI (Berkeley, CA, USA)

KEYNOTE LECTURE 5
Chairperson: Vincent LAGENTE (UMR 991 INSERM / Université de Rennes, France)

- New therapeutic approaches in inflammation: the example of endogenous gas
  John L. WALLACE (Hamilton, ON, Canada)

CLOSING SESSION
Chairperson: Charles BRINK (GREMI representative, France)

- Life Time achievement Lecture
- Woman Award Lecture (Co-chairperson: Lisa MARSHALL – IAIS President, USA)
- Young Investigators Awards (Co-chairperson: Vincent LAGENTE – IAIS treasurer, France)
- Closing remarks
Symposia

SUNDAY 26 JUNE 2011 (08:30-10:30)

ADIPOKINES NEW KIDS ON THE INFLAMMATION BLOCK

- Inflammation, adipokines and obesity
  Karine CLEMENT (Paris, France)
- The multifaceted role of adiponectin
  Ulf MULLER-LADNER (Giessen, Germany)
- The role of immune cells in obesity
  Anne BOULOUMIE (Toulouse, France)

NEWS AND GOODS TO MAP AND TREAT INFLAMMATORY BOWEL DISEASE

- Maping the genes for IBD
  Jean-Pierre HUGOT (Paris, France)
- Gut microbes: how do they affect innate immunity?
  Relevance for IBD
  Dana PHILPOTT (Toronto, Canada)
- Can we play with gut microbiota to treat IBD?
  Philippe LANGEHLA (Jouy-en-Josas, France)
- New targets to treat IBD
  Pierre DESREUMAUX (Lille, France)

CELL DEATH

- Apoptosis, autophagy and inflammation
  Hans-Uwe SIMON (Bern, Switzerland)
- Decoding cell death signals in inflammation and immunity
  Guido KROEMER (Villejuif, France)
- Death receptor-ligand systems (TRAIL or others) in inflammation
  Henning WALCZAK (London, UK)

NEW PERSPECTIVES ON T CELLS IN INFLAMMATORY DISEASES

- The role of symbiotic microbiota in homeostasis and inflammation
  Gérard EBERL (Paris, France)
- Th17 and regulatory T cells in mediating and restraining inflammation
  Alexander RUDENSKY (Seattle, WA, USA)
- Regulatory T cells in the control of inflammatory demyelinating diseases of the central nervous system
  Roland LIBLAU (Toulouse, France)

MONDAY 27 JUNE 2011 (08:30-10:30)

CELL SIGNALING AND COMMUNICATION

- NOX in inflammation and signaling
  Karl Heinz KRAUSE (Geneva, Switzerland)
- Implications of NF-kappaB signaling for inflammatory diseases
  Manolis PASPARAKIS (Kön, Germany)
- Fine tuning inflammatory signaling
  Luke A. O’NEILL (Dublin, Ireland)

INFLAMMATORY CELLS: NEUTROPHILS AND MACROPHAGES

- Neutrophils as shapers of the inflammatory response
  Marco A. CASSATELLA (Verona, Italy)
- How human neutrophils kill ingested microbes
  William NAUSEEF (Coralville, IA, USA)
- Exploring the full spectrum of macrophage activation
  David M. MOSSER (College Park, MD, USA)

NEURONAL CONTROL OF INFLAMMATION AND PAIN

- Microbiome – Nervous system interactions: implications for GI disease
  Steve COLLINS (Hamilton, Ontario, Canada)
- New targets for Inflammatory Pain
  Susan BRAIN (London, UK)
- Migraine: an Inflammatory Disorder?
  Pier-Angelo GEPPETTI (Firenze, Italy)

RHEUMATOID ARTHRITIS: FROM PATHOPHYSIOLOGY TO NEW TARGETS

- Rheumatoid arthritis: A journey in the life of synovial cells
  Steffen GAY (Zürich, Switzerland)
- Role of tyrosine kinases in autoimmune arthritis
  Attila MOCSAI (Budapest, Hungary)
- Anti-CCP antibodies: players or bystander?
  Rene E. TOES (Leiden, The Netherlands)
TUESDAY 28 JUNE 2011 (08:30-10:30)

DAMPS AND PAMPS: CRITICAL ENDOGENOUS AND EXOGENOUS DANGER SIGNALS

- High-mobility group box 1 (HMGB1) protein at the crossroads between innate and adaptive immunity
  Marco E. BIANCHI (Milano, Italy)
- Innate recognition of viral nucleic acids
  Caetano REIS e SOUSA (London, UK)
- Danger signals activating the inflammasome in pulmonary inflammation and fibrosis
  Isabelle COUILLIN (Orléans, France)

OSTEOARTHRITIS

- Osteoarthritis, angiogenesis and inflammation
  David A. WALSH (Nottingham, UK)
- Targeted therapies in osteoarthritis
  Steven B. ABRAMSON (New York, NY, USA)
- Stem cells for repair in osteoarthritis: dream or reality
  Christian JORGENSEN (Montpellier, France)

RESOLUTION AND THE INFLAMMATORY CONCERT

- The lipid orchestra during inflammation-resolution
  Charles N. SERHAN (Boston, MA, USA)
- Glucocorticoids cut short the concert of inflammation through the release of annexin A1
  Mauro PERRETTI (London, UK)
- The role of chemerin in the symphony of inflammation
  David R. GREAVES (Oxford, UK)

WEDNESDAY 29 JUNE 2011 (08:30-10:30)

VASCULITIS-AUTOIMMUNITY

- Th17 and Th1 T-cell responses in giant cell arteritis
  Cornelia M. WEYAND (Stanford, CA, USA)
- Pathophysiological mechanisms in ANCA-associated vasculitis
  Caroline SAVAGE (Birmingham, UK)
- Novel biotherapies in the treatment of vasculitis
  Loïc GUILLEVIN (Paris, France)

YES, WE HAVE NEW OPPORTUNITIES FOR ANTI-INFLAMMATORY DRUG DISCOVERY

- Are cyclin-dependent kinase inhibitor drugs anti-inflammatory and pro-resolution agents?
  Adriano ROSSI (Edinburgh, UK)
- Targeting prostaglandin E signaling: where are we in 2011?
  Leslie J. CROFFORD (Lexington, KY, USA)
- "Inside-out" signaling of sphingosine-1-phosphate: therapeutic targets
  Sarah SPIEGEL (Richmond, VA, USA)
### SCIENTIFIC PROGRAMME

#### Society Sponsored Symposia

**SUNDAY 26 JUNE 2011 (14:00-15:30)**

**Bone Inflammation and Regeneration**
Symposium sponsored by the JSIR (Japanese Society of Inflammation and Regeneration) (*)
Chairpersons: Hideyuki OKANO (Keio University, Japan), Kouji MATSUSHIMA (University of Tokyo, Japan)

- **Anti-osteoclasts therapy**
  Hiroshi TAKAYANAGI (Tokyo Medical and Dental University, Japan)

- **Neural differentiation and cell therapy using inducible pluripotent stem cells**
  Hideyuki OKANO (Keio University, Japan)

- **Early destruction of osteoblasts as a niche of hematopoietic stem cells in Bone Marrow-GVHD**
  Kouji MATSUSHIMA (University of Tokyo, Japan)

**Post-Traumatic Immune Suppression**
Symposium sponsored by the SFAR (French Society of Anesthesiology and Critical Care Medicine)
Chairpersons: Didier PAYEN (Hôpital Lariboisière, Paris, France), Philippe MONTRAVERS (Hôpital Bichat, Paris, France)

- **Physiopathology of post-traumatic immune response**
  Richard S HOTCHKISS (Washington University, St Louis, MO, USA)

- **Biomarkers in trauma patients**
  Alain LEPAPE (Hôpital Lyon Sud, Lyon, France)

- **Systemic immunosuppression versus overwhelming pulmonary inflammation**
  Didier PAYEN (Hôpital Lariboisière, Paris, France)

- **Treatments in the future**
  Karim ASEHNOUNE (Hôpital de l’Hôtel-Dieu, Nantes, France)

**Chemical Toxicity and Inflammation**
Symposium sponsored by the SPTC (French Society of in vitro pharmacology and toxicology)
Chairpersons: Marc PALLARDY (University Paris-Sud, Châtenay-Malabry, France), Francelyne MARANO (University Paris-Diderot, Paris, France)

- **Mechanisms of chemical immune-mediated skin inflammation**
  Stefan MARTIN (University of Freiburg, Freiburg, Germany)

- **Pulmonary inflammation and particulate matters**
  François HUAUX (Université catholique de Louvain, Brussels, Belgium)

- **Role of environmental pollutants in adipose tissue inflammation**
  Robert BAROUKI (University Paris-Descartes, Paris, France)

**New Pro- and Anti-Inflammatory Effects of Microbes**
Symposium sponsored by the Inflammation Research Network
Chairpersons: André BURET (University of Calgary, Calgary, Canada), Mustapha SI-TAHAR (Institut Pasteur, Paris, France)

- **Mechanisms of innate immune responses to influenza virus**
  Mustapha SI-TAHAR (Institut Pasteur, Paris, France)

- **Mechanisms of lung inflammatory disease induced by bacteria**
  Tracy HUSSELL (Imperial College, London, UK)

- **Immuno-modulation by the normal intestinal flora**
  Kathy MCCOY (Inselspital, Bern, Switzerland)

- **Macrophage immuno-modulation by helminthes**
  Derek MCKAY (University of Calgary, Calgary, Canada)

- **Suppression of epithelial pro-inflammatory signaling by intestinal Protozoa**
  Andre BURET (University of Calgary, Calgary, Canada)

**MONDAY 27 JUNE 2011 (14:00-15:30)**

**Inflammation in Severe Sepsis: From Bench to Bedside**
Symposium sponsored by the SRLF (Société de Réanimation de Langue Française)
Chairpersons: Jean-Marc CAVAILLON (Institut Pasteur, Paris, France), Jean CARLET (WHO, Geneva, Switzerland)

- **Innate recognition of bacteria during sepsis**
  Jérôme PUGIN (Geneva, Switzerland)

- **Neuroimmunomodulation and sepsis**
  Djillali ANNAINE (Paris, France)

- **Genetic, sepsis and inflammation**
  Jean-Paul MIRA (Paris, France)

**Cancer and Inflammation**
Symposium sponsored by the IRA (Inflammation Research Society) (*)
Chairpersons: John SOMERVILLE (Bristol-Myers Squibb), Lisa MARSHALL (IAIS President)

- **Co-stimulation and cancer**
  James ALLISON (Memorial Sloan-Kettering Cancer Center, New York, USA)

- **Cellular signaling and cancer**
  Robert SCHREIBER (Washington U., St Louis, USA)

- **Inflammatory cytokines and autocrine tumor-promoting networks**
  Frances BALKWILL (Institute of Cancer, Barts, London, UK)

(*) Member of IAIS
NEW TRENDS IN THE CONTROL OF LUNG INFLAMMATION
Symposium sponsored by the BIS (Brasilian Inflammation Society) (*)
Chairpersons: Bernhard RYFFEL (Transgenose Institute, CNRS, Orléans, France), Marco A. MARTINS (Oswaldo Cruz Institute, Rio de Janeiro, Brazil)
- Modulation of the chemokine system in pulmonary fibrosis
  Mauro Martins TEIXEIRA (Federal University of Minas Gerais, Brazil)
- Role of inflammasome activation in allergic asthma
  Bernhard RYFFEL (Transgenose Institute, CNRS, Orléans, France)
- A new model of allergic lung inflammation suitable for investigating glucocorticoid-resistant asthma in the mouse
  Marco Aurélio MARTINS (Oswaldo Cruz Institute, Rio de Janeiro, Brazil)
- Sex hormones regulate lung injury caused by intestinal ischemia and reperfusion
  B. Boris VARGAFTIG and Wothan TAVARES DE LIMA (Sao Paulo University, Brazil)
- Sensing allergic inflammation
  Momtchilo RUSSO (Sao Paulo University, Brazil)

AUTO-INFLAMMATORY DISEASES
Symposium sponsored by the SNFMI (National Society of Internal Medicine)
Chairpersons: Serge AMSELLEM (Hôpital Trousseau, Paris, France), Helen J LACHMANN (Imperial College, London, UK)
- The clinical spectrum of auto-inflammatory diseases
  Katica STANKOVIC (Hôpital Tenon, APHP, Paris, France)
- Inflammasomes
  Virginie PETRILLI (CNRS, Lyon, France)
- Which genetic approach of auto-inflammatory disorders?
  Isabelle JERU (Hôpital Trousseau, APHP, Paris, France)

TUESDAY 28 JUNE 2011 (14:00-15:30)

GENETICS AND EPIGENETICS OF INFLAMMATION
Symposium sponsored by the BIRAS (British Inflammation Research Association) (*)
Programme to be announced

TRANSLATIONAL RESEARCH STRATEGIES IN INFLAMMATION
Symposium sponsored by the SCIL (Society for Cytokines, Inflammation and Leukocytes) (*)
Chairpersons: J. HAMILTON (University of Melbourne, Australia), E. MORAND (Monash University, Melbourne, Australia)
- What have we learnt from targeted anti-TNF therapy
  M. FELDMANN (Imperial College, London, UK)
- Treating allergy – where to from here
  R. O’HEHIR (Monash University, Melbourne, Australia)
- The role of airways inflammation in development of persistent asthma during childhood: emerging targets for asthma prevention
  P. HOLT (University of Western Australia; Perth, Australia)

INFLAMMATION AND REPAIR IN LUNG DISEASES
Symposium sponsored by the SPLF (Société de Pneumologie de Langue Française)
- Pulmonary inflammation and repair in fibrosis
  Bruno CRESTANI (Paris, France)
- Vascular inflammation in pulmonary arterial hypertension
  Marc HUMBERT (Le Plessis-Robinson, France)
- Bronchial inflammation
  Speaker to be announced

ATHEROSCLEROSIS: THE ROLE OF INFLAMMATION
Symposium sponsored by the NSFPA (Nouvelle Société Française d’Athérosclérose)
Chairpersons: Marie-Paul JACOB (Inserm U698, Paris, France), Christian WEBER (Medical Faculty, Aachen, Germany)
- Chemokines as key regulators orchestrating vascular inflammation
  Christian WEBER (Medical Faculty, Aachen, Germany)
- Control of inflammation by nuclear receptor ligands
  Bart STAELS (Inserm UMR 1001, Lille, France)
- LRPs: control of vascular remodeling and protection from atherosclerosis
  Philippe BOUCHER (UMR CNRS 72013, Strasbourg, France)

(*) Member of IAIS
Educational Sessions

The Educational Breakfast Sessions will give the opportunity to investigators (doctoral, post-doctoral fellows, researchers) to improve their technical knowledge on a topic related to basic and/or translational research.

Theoretical basis and practical approaches of these new concepts/methods will be highlighted.

In order to increase interactivity and discussion between the speaker and the audience, the capacity room will be limited to 50 seats.

MONDAY 27 JUNE 2011 (07:30-08:30)

IMAGING TECHNOLOGIES TO INVESTIGATE INFLAMMATORY IMMUNE RESPONSES

Expert: Spencer SHORTE (Institut Pasteur, Paris, France)

TUESDAY 28 JUNE 2011 (07:30-08:30)

SMALL RNA AND INFLAMMATION

Expert: Pascal BARBRY (Institut de Pharmacologie Moléculaire et Cellulaire, CNRS/Université de Nice, Sophia Antipolis, France)

Educational sessions registration fee: 35€
Limited number of seats. Please book in advance when registering to the congress (open to registered delegates only)

Satellite Symposium

MONDAY 27 JUNE 2011 (12:00-13:00)

LFB SATELLITE SYMPOSIUM

Intravenous IVIg as novel anti-inflammatory biotherapy

- Anti-inflammatory affect of IVIg in animal models
  F. NIMMERJAHN (Netherlands)
- Anti-inflammatory affect of IVIg in humans
  SV. KAVERI (Institut Recherche des Cordeliers, Paris)
- Clinical use of IVIg in autoimmune and/or inflammatory diseases
  L. MOUTHON (Hôpital Cochin, Paris)
Call for Abstracts

The Organisers invite scientists, clinicians and researchers to submit their abstract(s) to the 10th World Congress on Inflammation.

ABSTRACT SUBMISSION DEADLINE: JANUARY 31, 2011
TO SUBMIT YOUR ABSTRACT, PLEASE GO TO THE CONGRESS WEB SITE:
www.inflammation2011.com

• Abstracts received after the deadline will not be accepted and will therefore not be considered for the programme or for publication.
• Abstract should be submitted electronically via the Congress web site: www.inflammation2011.com following the easy, step-by-step instructions.
• Abstracts submitted by email will not be reviewed.
• All abstracts must be written in English.
• Abstracts must contain work that has not been previously published.
• The authors’ conclusions should be clearly stated. General statements such as “the significance of these findings will be discussed” will be regarded unfavourably and will generally lead to exclusion of the abstracts.
• Initials and abbreviations which are not in common use should be avoided unless they are essential.
• Remember to check spelling and grammar carefully. Your electronically submitted abstract text will be reproduced as submitted.
• All selected abstracts will be reproduced, as sent, in a supplement of Inflammation Research (Springer Basel AG)
• Submission of an abstract does not constitute registration for the congress. Submission of an abstract implies the commitment that the presenting author will attend the meeting and the expectation that financial resources to attend are available.
• Young Investigator Awards: the applicants must tick the appropriate box during the abstract submission process. For detailed information about eligibility criteria and selection process, see page 11.

Review process
• Abstracts will be peer-reviewed by the Scientific Committee and external reviewers without knowledge of their source.
• Acceptance or rejection of an abstract is based on the average grade awarded by the reviewers.
• Selected abstracts will be presented as oral presentations or as posters. A preference for oral presentation can be indicated although the Scientific Committee will make the final decision as to how the abstract will be presented.
• Authors will be notified of the selection results by email on March 2011 and will receive all technical information and presentation instructions prior to the Congress.

DETAILED TYPING AND FORMAT INSTRUCTIONS ARE AVAILABLE ON THE CONGRESS WEB SITE:
www.inflammation2011.com
For any question, please contact: programme@inflammation2011.com

ABSTRACT CATEGORIES
Congress Main Theme: Translating Basic Research to Patient Care

1. Inflammatory cells: adhesion, migration, differentiation
2. Chemokines and cytokines
3. Lipid mediators
4. Reactive intermediates: reactive oxygen species, NO, CO, H2S,…
5. Proteases and anti-proteases
6. Sensors and cell signalling
7. Cell death mechanisms
8. Allergy and inflammation
9. Infection, sepsis and inflammation
10. Environment and inflammation
11. Autoimmunity
12. Cancer and inflammation
13. Pain and inflammation
14. Neuroinflammation: central and peripheral nervous systems
15. Cardiovascular diseases
16. Respiratory diseases
17. Musculoskeletal diseases
18. Gastrointestinal diseases
19. Kidney and genitourinary tract diseases
20. Skin and sensory organs diseases
21. Inflammation and metabolic diseases
22. Genetics and inflammation
23. Resolution of inflammation and tissue repair
24. New targets for drug development
25. Innovative methodologies
Awards

The award ceremony of Young Investigator's Awards and Women in Inflammation Science Award, and Inflammation Lifetime Achievement Award will be held during the Closing Session on Wednesday 29 June 2011.

IAIS YOUNG INVESTIGATOR AWARDS

Entry Qualifications
The award is open to research students still in Ph.D studies or someone who has completed his/her Ph.D studies in the past 5 years. Medical, veterinary and dentistry students are also eligible as are those in residencies.

What is required
Applicants for the IAIS Young Investigators Award will be expected to submit an abstract with regular registration, mini-paper, CV and a two page summary of research history. A short list of six contributions will be selected from the applications and asked to present their work for oral presentation at the meeting. Registration, accommodation and basic travel expenses will be refunded for those selected for the short list.

Prizes (Cash Award)
500€ for each of the six winners

Abstract
Abstracts should be entered on-line by midnight (CET), Jan. 31, 2011, with an indication(*) that this should be considered for the Young Investigator Award. These abstracts will be published as part of the supplement to Inflammation Research which will act as the abstract book for the Congress.

Mini paper
The mini paper should report on novel experimental findings on inflammation research and regenerative medicine and should include the following:
- The abstract text submitted online
- A short introduction
- An abbreviated method section
- Results
- A short discussion followed by 6-8 references
- 4 tables or 4 figures or 2 of each

The total number of characters in text, from introduction to discussion should not be more than 5600 characters (spaces included). This would be equivalent to 4 pages in Inflammation Research. The mini papers of the six finalists will be published in Inflammation Research supplement which contains the abstracts for the meeting.

The judging committee for the scoring of the mini papers is international and anonymous.

CV and Summary of Research history
You are also required to submit a CV and a two page summary of research history.

(* Please select “I apply for YIA.” when you submit an abstract through this congress web site. As your submission is processed, you will be given the abstract registration number. Please make sure to send your Mini paper, CV and Summary of Research history with this registration number to the congress office by e-mail: programme@inflammation2011.com no later than January 31, 2011.

Ethical considerations
Papers involving human subjects should receive local Ethical Committee approval and the informed consent of all subjects. Experiments involving animals should be conducted in accordance with the relevant local legislation.

IAIS WOMEN IN INFLAMMATION SCIENCE AWARD

The purpose of this award is to recognise and honour an individual male or female scientist who has demonstrated scientific excellence in the field of inflammation research and who has, either through leadership or by example, promoted the advancement and development of women in this field.

The Award
The winner of the “IAIS Women in Inflammation Science Award” will receive a financial award and a commemorative plaque. Complimentary conference registration as well as hotel accommodation and travel assistance will also be provided. The winner is requested to present a 30-minute lecture on the inflammation related topic of his or her choice, during the World Congress on Inflammation.

Nomination and Award Process
Nominations will be accepted from all scientists. However, institutions or organisations are not eligible for this award, and candidates may not nominate themselves. A panel of distinguished judges representing both academia and industry will the select the winner. The decision will be based solely on the candidate’s scientific accomplishments and his or her impact on the advancement of women in inflammation research without regard to race, nationality, geographic location, or religious or political views.

Nominators are asked to maintain the confidentiality of the nomination process and to refrain from informing the candidate about the nomination.

Nominators are required to submit the following material in order to qualify:
- A letter of recommendation in English (1,000 words maximum) describing: (a) the candidate’s major scientific achievements and their relevance and impact in the field of inflammation research (b) the candidate’s contribution to the promotion and advancement of women in inflammation science.
- The candidate’s curriculum vitae in English.
- A complete list of the candidate’s publications and an indication of his or her most important original articles in scientific literature.
- Two additional references and the candidates contact information

Nomination Submissions
Please forward the material required for entry to Lisa Marshall as an e-mail attachment marked Woman in Science Award (e-mail: lmarshall1118@comcast.net).

Nomination Deadline
The deadline for nominations is the midnight (CET), Jan. 15th 2011.
General Information and Conditions

Venue and Dates
The 10th World Congress on Inflammation will be held from Saturday 25 to Wednesday 29 June 2011. The Congress will take place at the Palais des Congrès (Paris Convention Centre) which is ideally located in the western part of the Capital, only 10 minutes away from the Champs-Elysées, the Arc de Triomphe or the Eiffel Tower.

It is easily accessible by car (Parking Porte Maillot under the Convention Centre), by local city bus (lines: 82.73.43.244.PC), by metro (line 1) or by RER (Paris Suburban Express Metropolitan Network, line C). Therefore, there is no need for a shuttle bus service organised by the Congress from the official congress hotels to the Convention Centre.

Badges
Upon registration, an electronic badge confirmation will be sent to you containing a bar code. Do not forget to print this page and bring it with you to the congress. You will have to scan the bar code and your badge will be printed automatically.

Climate and clothing
The weather in Paris in June is usually warm and sunny with daily temperatures ranging from 20°C to 24°C. Night temperatures are usually mild.

CME credits
Continuing Medical Education credits will be offered by Medical Academies and Scientific Societies from all over the world. Participants may register for CME credits. More information will be available on the Congress website in due time.

Currency exchange
ALL RATES given in the programme are in EUROS: €

Electricity
Electricity used in France is 220 Volts; its frequency is 50 Hz and the plugs have two male contact points. Plan to bring a transformer for your electrical or electronic equipment using different voltage.

Official language
Organized by an International Scientific Society, all presentations will be given in English.

Congress office
Before and after the meeting:
INFLAMMATION 2011
C/o MCI France
24 rue Chauchat – 75009 Paris – France
Tel.: 33 (0) 1 53 85 82 71
Fax: 33 (0) 1 53 85 82 83
E-mail: info@inflammation2011.com
Web: www.inflammation2011.com

On-site Secretariat: (Tentative Opening hours)
- Saturday 25 June 2011: 15:30 – 20:00
- Sunday 26 June 2011: 07:30 – 19:30
- Monday 27 June 2011: 07:00 – 19:30
- Tuesday 28 June 2011: 07:00 – 19:30
- Wednesday 29 June 2011: 08:00 – 13:30

The congress documentation will be available there for pre-registered delegates and for anyone wishing to register on site.
Exhibition and Sponsorship
A scientific and technical exhibition open to pharmaceutical companies, manufacturers of materials and equipment, and scientific publishers, will be held during the entire congress. If you wish to exhibit or take part in the sponsorship programme, please contact the Congress Office: exhibition@inflammation2011.com

Insurance and Liability disclaimer
The GREMI and MCI cannot be held liable for any hindrance or disruption of Congress proceedings arising from political, social, health or economic events or any other unforeseen incidents beyond their control. The congress cancellation conditions shall apply in any case. Registration of a participant entails acceptance of the cancellation conditions. It is recommended that participants obtain adequate cover for travel, health, accident and cancellation insurance before they depart from their countries. The GREMI and MCI as organizers will accept no liability for personal injuries sustained by or for loss or damage to property belonging to congress participants and accompanying persons either during or as a result of the Congress or during all tours and events.

Lunches & Break
Lunches are NOT included in the registration fees but sandwiches and snacks can be purchased at all times. During morning and afternoon breaks, coffee will be served in the exhibition area.

Telephones
For international calls to France, dial the international code followed by 33 and the correspondent’s number without the “0”.

Travel tips

Access
Paris can easily be reached by plane, train or car, due to its location at the crossroads of Europe. It is served by two international airports (CDG and Orly) and a very convenient railway system. The shuttle buses from CDG airport arrive in front of the Palais des Congrès, which is also accessible through all Paris public transports.

City transportation
Metro
A fast and ever-developing means of transport, essential to the Parisian’s life, the metro is probably the best and quickest way to travel within the city. Timetable: it operates from 5:30 to 0:30. Information about the Metro can be obtained from the RATP Website: www.ratp.com

Bus
Local bus service is also available. Although slower than the Metro or the RER at certain hours of the day (depending on the traffic), the RATP buses (green) are frequent from 8:00 am to 20:00. The services are more irregular after 20:00. The Noctambus service (for night-birds) operates during the night: 10 bus routes lead from the heart of Paris.

Taxi
Where can you find a taxi? At stations, airports and near main traffic thoroughfares in more than 470 taxi ranks. 14 900 taxis are in service in Paris. You can identify a free taxi by the light on its roof and hail it. There will already be an initial charge on the meter. It is customary to leave a tip of up to 10% of the total fare.

Cars
To reach the Palais des Congrès, exit the Boulevard Périphérique (ring-road surrounding Paris) at the “Porte Maillot”. The car park is under the Congress Center with direct access to the meeting.

Bicycles
Paris provides you with an excellent Self Service “bike hire” system available 24 hours a day, 7 days a week. Multi pick up and drop off location allows you to pick up your bike from one service point and drop off to another. An unusual and pleasant way to discover the city!

From Paris to the airports
Access to Roissy Charles de Gaulle airport (North of Paris), terminals 1 and 2:
• by RER Express train, from Châtelet or Gare du Nord Stations, line B
• by AIR FRANCE coach: departure beside the Palais des Congrès
Access to Orly airport (South of Paris), terminals West and South:
• from Denfert Rochereau : by RER Express train, line B or by Orly Bus
• by AIR FRANCE coach : departure from Invalides Station

Official airline
Get the best price for your flight with Air France and KLM Global Meetings. Event ID Code to keep for the booking: 07725AF

Train
For participants traveling within France to Paris by train on the occasion of the congress, special fares may be obtained with SNCF (French Railway Network). Please request the congress office for the appropriate discount coupon by ticking the appropriate box on the hardcopy or online registration form.

Useful web sites
RATP (City Transport Network): www.ratp.com
MAPPY (itineraries/directions): www.mappy.com
PARIS TOURIST OFFICE: www.parisinfo.com
AIR FRANCE: www.airfrance.com
SNCF (French Railways Network): www.voyages-sncf.com

Visas & Passports
Every person entering France should be in possession of a valid passport and/or identification card (except for members of the Euro zone). Some countries require a visa. Please contact the nearest French Embassy or Consulate to your home for further information. You can get detailed information from the website of French Ministry of Foreign Affairs at: http://www.diplomatie.gouv.fr/ervfrance_159/entering-france_2045/index.html
Social Events

Welcome Reception
Saturday 25 June 2011
Palais des Congrès – Exhibition area

Following the Opening Session, a Welcome Reception will be offered to all attendees, on Saturday 25 June, from 18:30 to 19:30 within the premises of the Palais des Congrès in the exhibition area.
Do not miss this get together party. Delegates, spouses and exhibitors are most welcome.

Included in the registration fees

Congress Dinner
Tuesday 28 June 2011
The Congress Dinner will be held on a private boat on the Seine River

A wonderful way to enjoy the capital in a friendly, relaxed atmosphere while admiring its monuments and bridges at night time: come and join in for a dinner cruise on the river Seine!
While tasting refined French cuisine on board and smoothly navigating on the river, you will have magnificent views over Paris and its historical landmarks.
The Dinner Cruise will be an excellent opportunity for delegates to renew old acquaintances or establish new friendships.

Price per Person (VAT included):
$85 for delegates
$95 for additional tickets (accompanying persons, exhibitors)

Limited number of participants. Please book in advance!
Tours Programme

A specific optional tours programme has been tailor-made for regularly registered participants and accompanying persons. These visits will be an excellent opportunity to discover some of the most outstanding artistic and historic highlights of Paris and its surroundings.

The tours programme and conditions are indicated below. To sign up for tours, please tick the corresponding boxes on the hardcopy or online registration form and send your payment.

- All tours will be conducted in English.
- The organisers reserve the right to cancel tours with less than 15 participants.
- Half day tours without coach transportation include metro tickets.

For more information on tours, please see the website: www.inflammation2011.com

**VAT included**
Access to all congress activities is subject to registration. Participants are encouraged to register in advance and as early as possible in order to benefit from lower registration fees, have wider hotel accommodation choice and social events availability.

You can register by the two following ways: (all payment methods are accepted: check, bank transfer or credit card - VISA, MASTERCARD, EUROCARD, AMERICAN EXPRESS)

1. by secure online registration and payment via the congress website www.inflammation2011.com
2. by fax or post. Download the registration form from the congress website, complete it and send it to the Congress Office accompanied by the payment.

Registration requests or changes by phone will not be processed.

Upon receipt of your registration and after payment clearance, the Congress Office will email you an electronic invoice summarizing all registration and accommodation details and specifying payment status as well as Value Added Tax (VAT) amounts.

An electronic badge confirmation containing a bar code will be attached to this email.

Do not forget to print this page and bring it with you to the congress.

At the entrance of the congress, go to the welcome desk “Electronic Badge” to scan your bar code and your badge will be printed automatically.

**Registration fees** (VAT included at 19.6%*)

Delegates registration fees include:
- Admission to the scientific sessions
- Access to posters and exhibition areas
- Admission to the Opening Ceremony and Welcome Reception
- Congress documents (congress bag, final programme, abstracts book)
- Morning and afternoon breaks

Accompanying persons registration fees include:
- Admission to the Opening Ceremony and Welcome Reception
- 1 half-day excursion (V1 / V1bis)

Terms of payment
The Organising Committee has given mandate to MCI for the organisation of its 10th World Congress on Inflammation. MCI is the sole competent company to receive payments for this Congress.

Payments may be made either:
- by credit card (Visa / Master Card / Eurocard / American Express)
- by cheque to the order of: INFLAMMATION 2011 / MCI and sent to: INFLAMMATION 2011 – MCI France 24 rue Chauchat 75009 Paris – France

Name changes & modifications
A processing fee of 30€ will be charged for changes in registration except for name substitutions which will be treated as new registrations.

Registration cancellation policy
All cancellations must be notified in writing (by mail, fax or e.mail) to the Congress Office according to the following conditions and reimbursement will be processed AFTER the Congress.
- Up to 10 April 2011: 100 Euros will be withheld for administrative fee
- After 10 April 2011: no refund

Requests for refunds received by the Congress Office after 15th July 2011 will not be considered.

GROUP REGISTRATION
All companies and agencies registering delegates to the INFLAMMATION 2011 Congress are requested to provide the complete professional or personal address of each participant. Registrations made under a group or agency’s address will NOT be considered nor processed by the Congress Office.

Thank you for your attention. For any question in regard to this procedure, please contact: registration@inflammation2011.com
Accommodation

Deadline for hotel reservations: **April 10, 2011**

After this date, any reservation requests received are subject to room availability and can not be guaranteed by the Organisers. Hotel rooms at special Congress rates are being held for congress participants and their families in various hotels of different categories all over Paris.

You can submit your reservation request in the two following ways:

- by secure online registration and payment via the Congress Web site [www.inflammation2011.com](http://www.inflammation2011.com) (all payment methods are accepted: check, bank transfer or credit card - VISA, MASTERCARD, EUROCARD, AMERICAN EXPRESS)
- by fax or post: in this case, the hardcopy registration form (downloadable from the Congress website) needs to be completed and sent to the Congress Office accompanied by your payment.

- Reservation per phone will not be processed.
- All nights must be prepaid in advance. The amount corresponding to your entire stay will be charged upon reservation and will be automatically deducted from the total amount of your hotel bill at check out.
- A fixed charge of 15€ per reservation for handling fees will be required for all hotel reservations.
- Upon receipt of your hotel reservation request, MCI will mail you an invoice/confirmation letter summarizing accommodation details and specifying payment status.
- In case of late arrival or later arrival date, please inform the congress office as soon as possible to avoid the cancellation of the entire reservation by the hotel.

**Room rates**

All rates are indicated in Euros, per night and per room. Reservations must be made through the Congress Office to guarantee the indicated rates negotiated for the Congress.

Cancellation conditions for hotel reservation (for individual reservations)

All cancellations must be notified in writing (by mail, fax or e.mail) to the Congress Office according to the following conditions:

- Up to February 10, 2011: the 15 Euros will be withheld for administrative fee
- Cancellations between February 11 and April 10, 2011: 50% of the deposit and reservation fees will be withheld
- After April 10, 2011: no refund

For cancellation conditions for group reservations, please contact the Congress Office.

**List of hotels**

All rates are indicated in Euros (€) per night and per room, breakfast included. VAT and taxes are included. Reservations for the hotels listed below must be made through the Congress Office to guarantee the indicated rates.
